HOTI Group

HOTI Group

Make Your Life Better

Make Your Life Better

COMPANY INTRODUCTION

Hoti Group was established in 2008 and relocated to its own industrial park in Xiamen Tongxiang Hi-Tech Zone in Dec., 2023.

The new industrial park covers an area of 35,000㎡, with a building area of 100,000㎡+, 500+ employees, an automated production plant and a laboratory that meets CNAS standards.

Since its establishment, from the traditional toilet seat production to the independent research and development, design, production and sales of intelligent toilet, HOTI Group has owned 200+ product patents, products have been awarded CE, CB, ROHS, REACH, EN1717, CUPC, EGS, Watermark, SAA and other certificates. The quality and safety performance of the products are leading sold well in Europe, the United States and other countries and regions. The quality and safety performance is leading in the industry, and the products are sold well in more than 30 countries and regions such as Europe, US, Australia, ect and others.

BSCI certified
ISO14000 certified

2020 >
"National High-Tech Enterprise" awarded
Deeply explore and expand the South China market,
forging a new business landscape

2022 >
Sign an agreement with the College of Jimei University to
jointly establish a Postgraduate Practical Education Base
"Xiamen Specialized, Sophisticated, Novel and Unique SMEs " awarded
"Fujian Science and Technology Little Giant Enterprises"awarded

2024 >
"Fujian Gazelle Enterprises" awarded
"Xiamen Torch Gazelle Enterprises" awarded

Corporate Culture
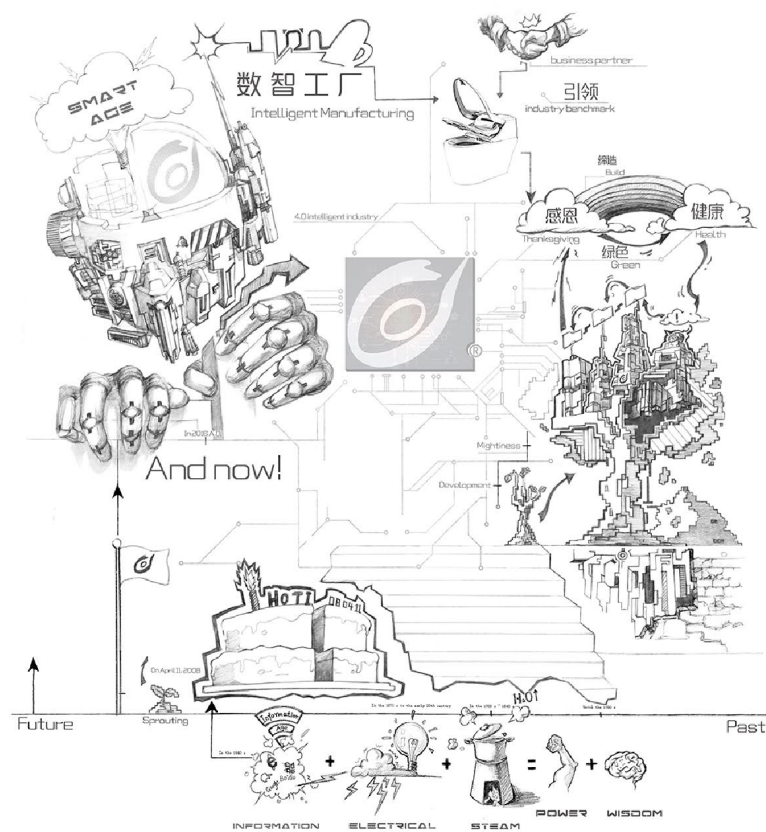

Vision

Continuous innovation,

to become the sanitary industry leader

of the digitalization technology factory

Mission

For quality and service, we do!

Create a grateful, green, healthy evergreen foundation

Win-win with customers, share with employees

Values

Integrity Concentration Responsibility Ingenuity Health

Craftsmanship Spirit
To Pursuit Of Perfect Detail

Less is more

Crystal Concept • Pure Beauty

The luxury of "Crystal" Intelligence

Industry-leading
Seamless heated seat

No place to hide dirt, easy to clean

Common welding processes

Section view

Seamless processes

Section view

φ55mm Large Siphon Pipe

Large pipe with super pollution discharge capability

Larger water seal area is better for odor-proof

"Built-in Water Tank with Pump"flush system, No water pressure limit

55mm
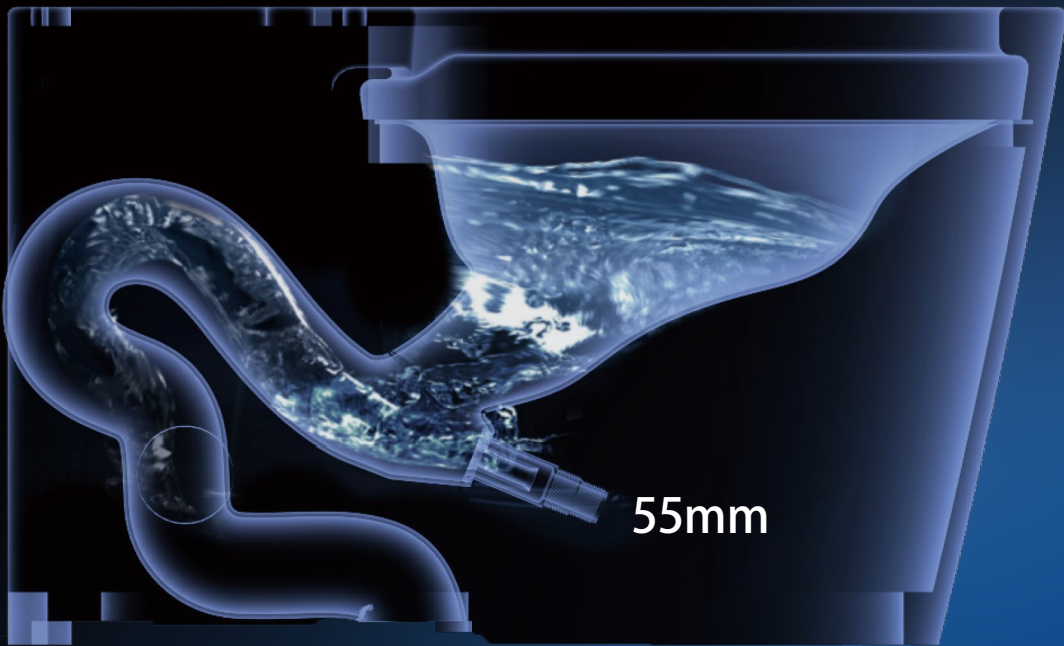

Intelligent Digital Display Remote Control

Ultra-thin design, simple and elegant

Various color options, experience upgraded

Removable Decorative Cover Multi-color Options

Smart digital display shows drying temperature,

water temperature and seat temperature

Fault code display for efficient after-sales service

Flat layout & Module design

Water & Electricity Separation, safe and reliable

Flat design, convenient for after-sales
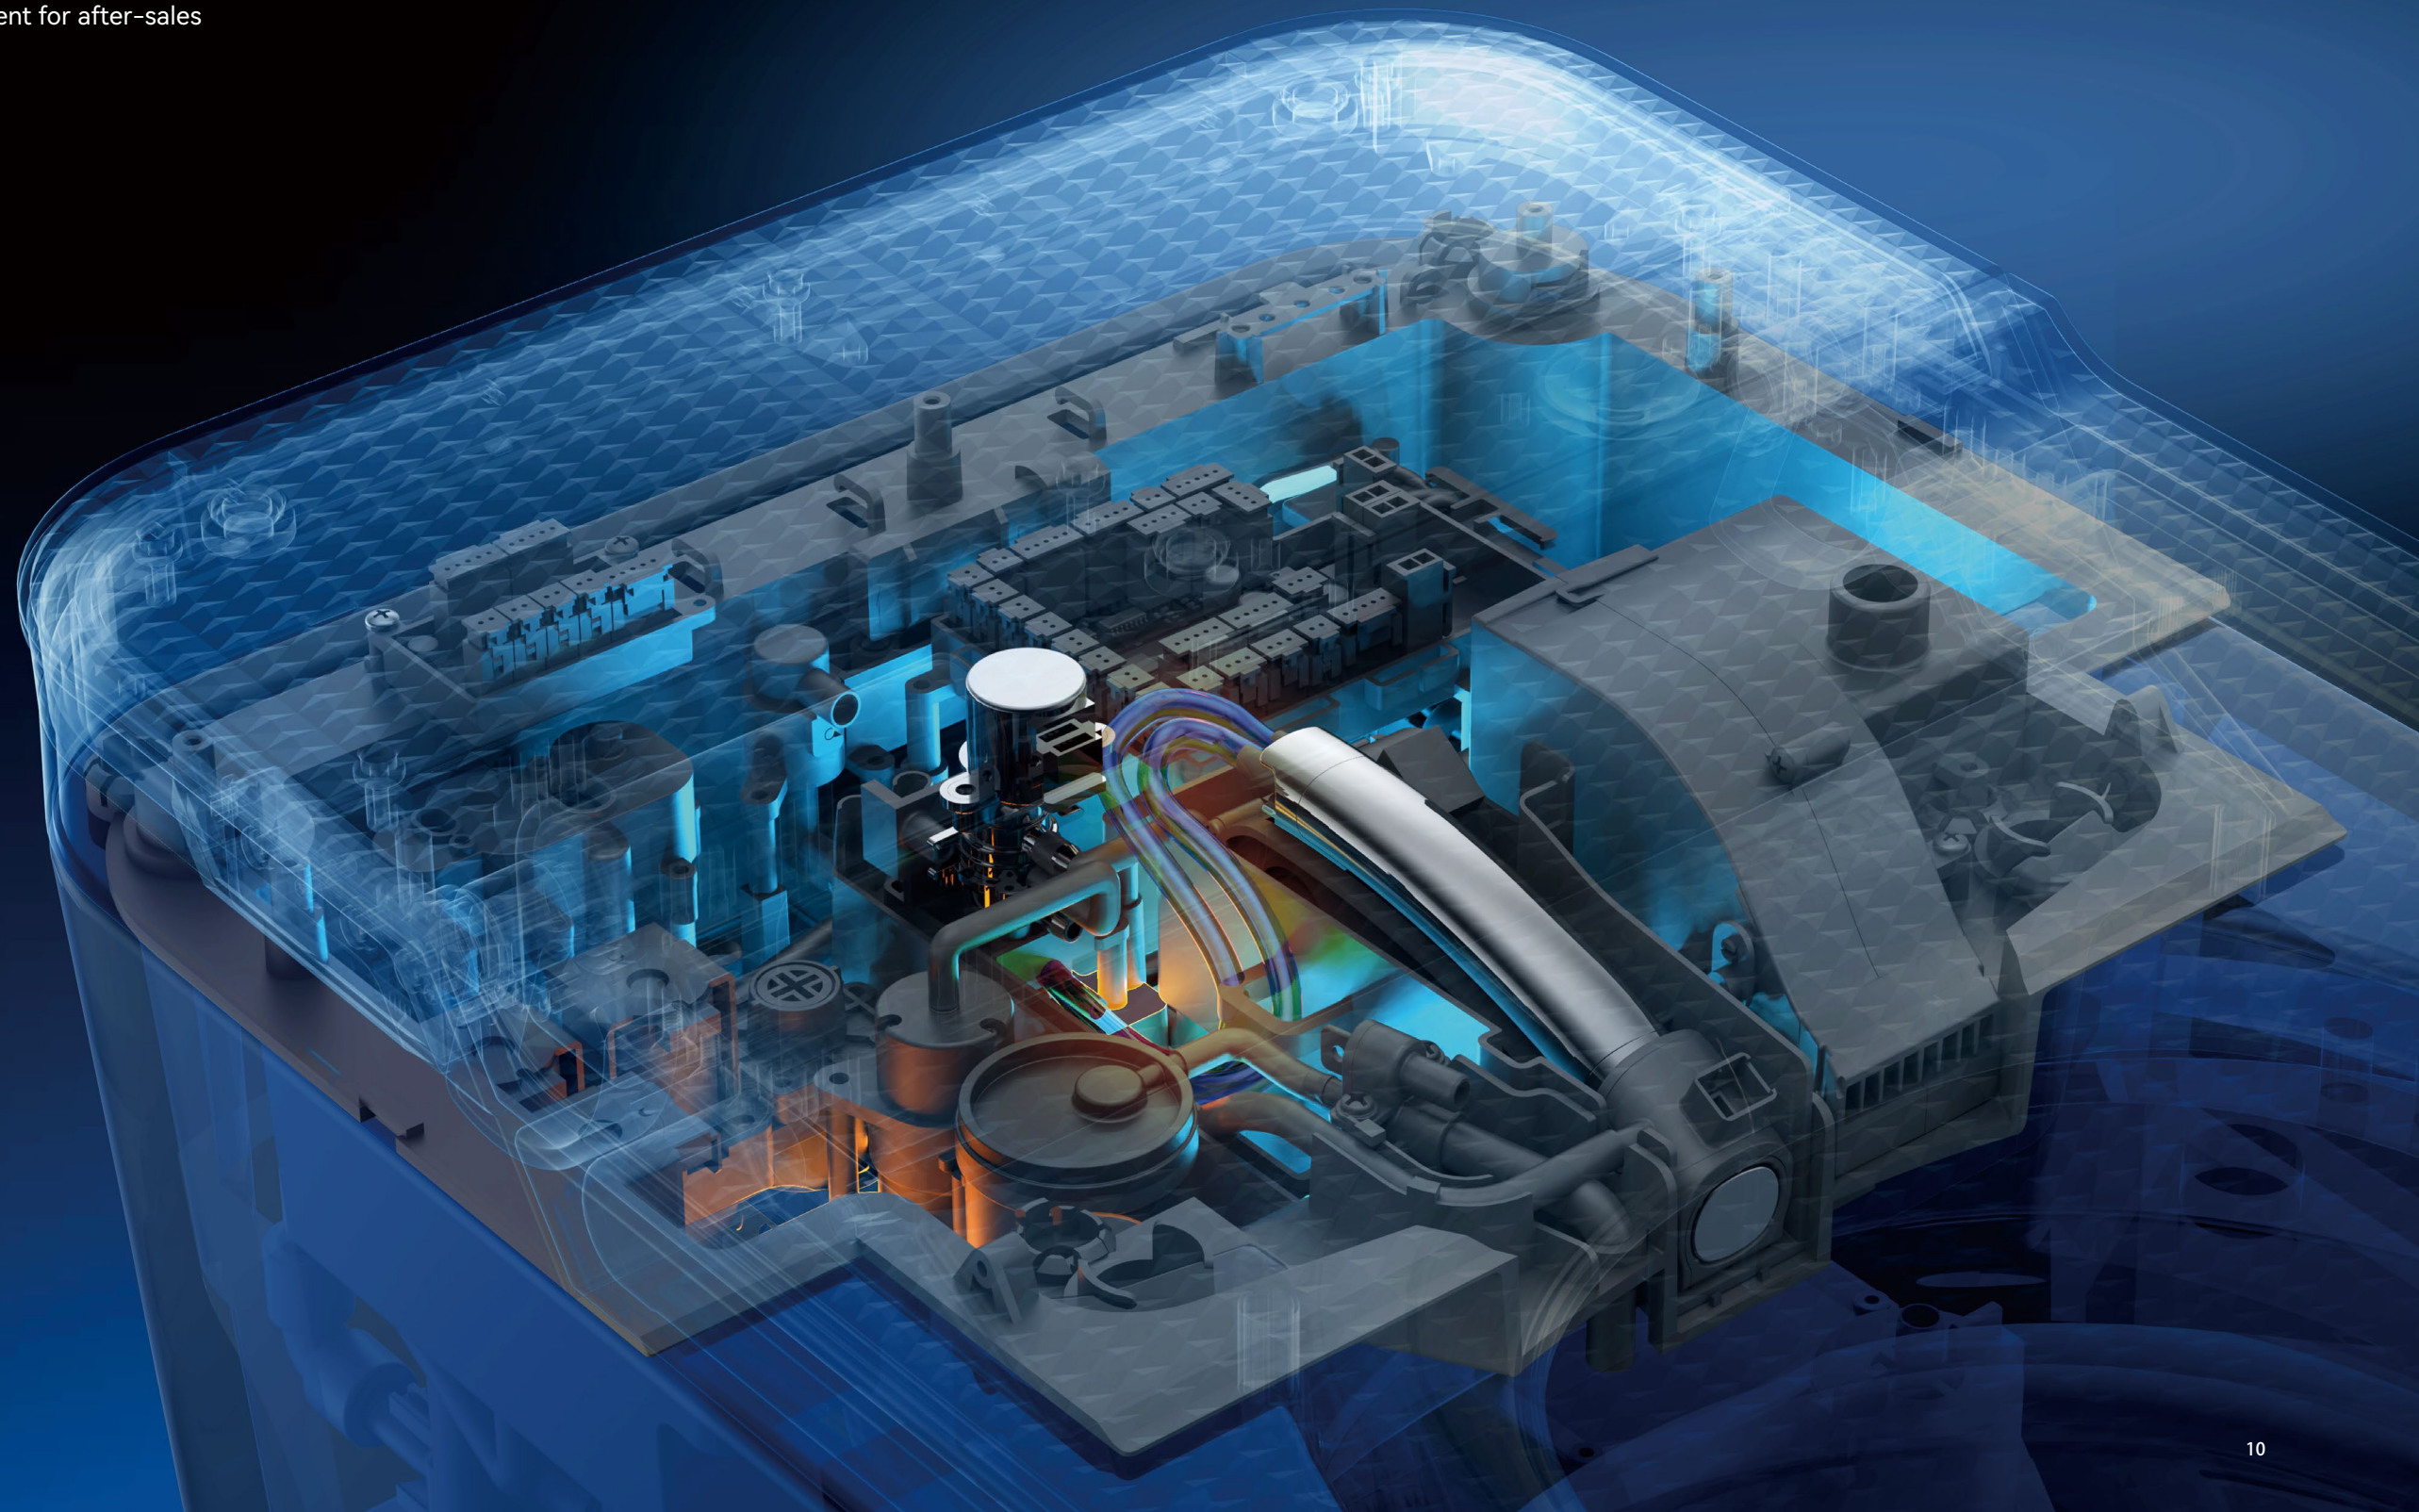

SMART PRO

ME4665

Fantasy taillight, technology and fashion
Born for light, brittient
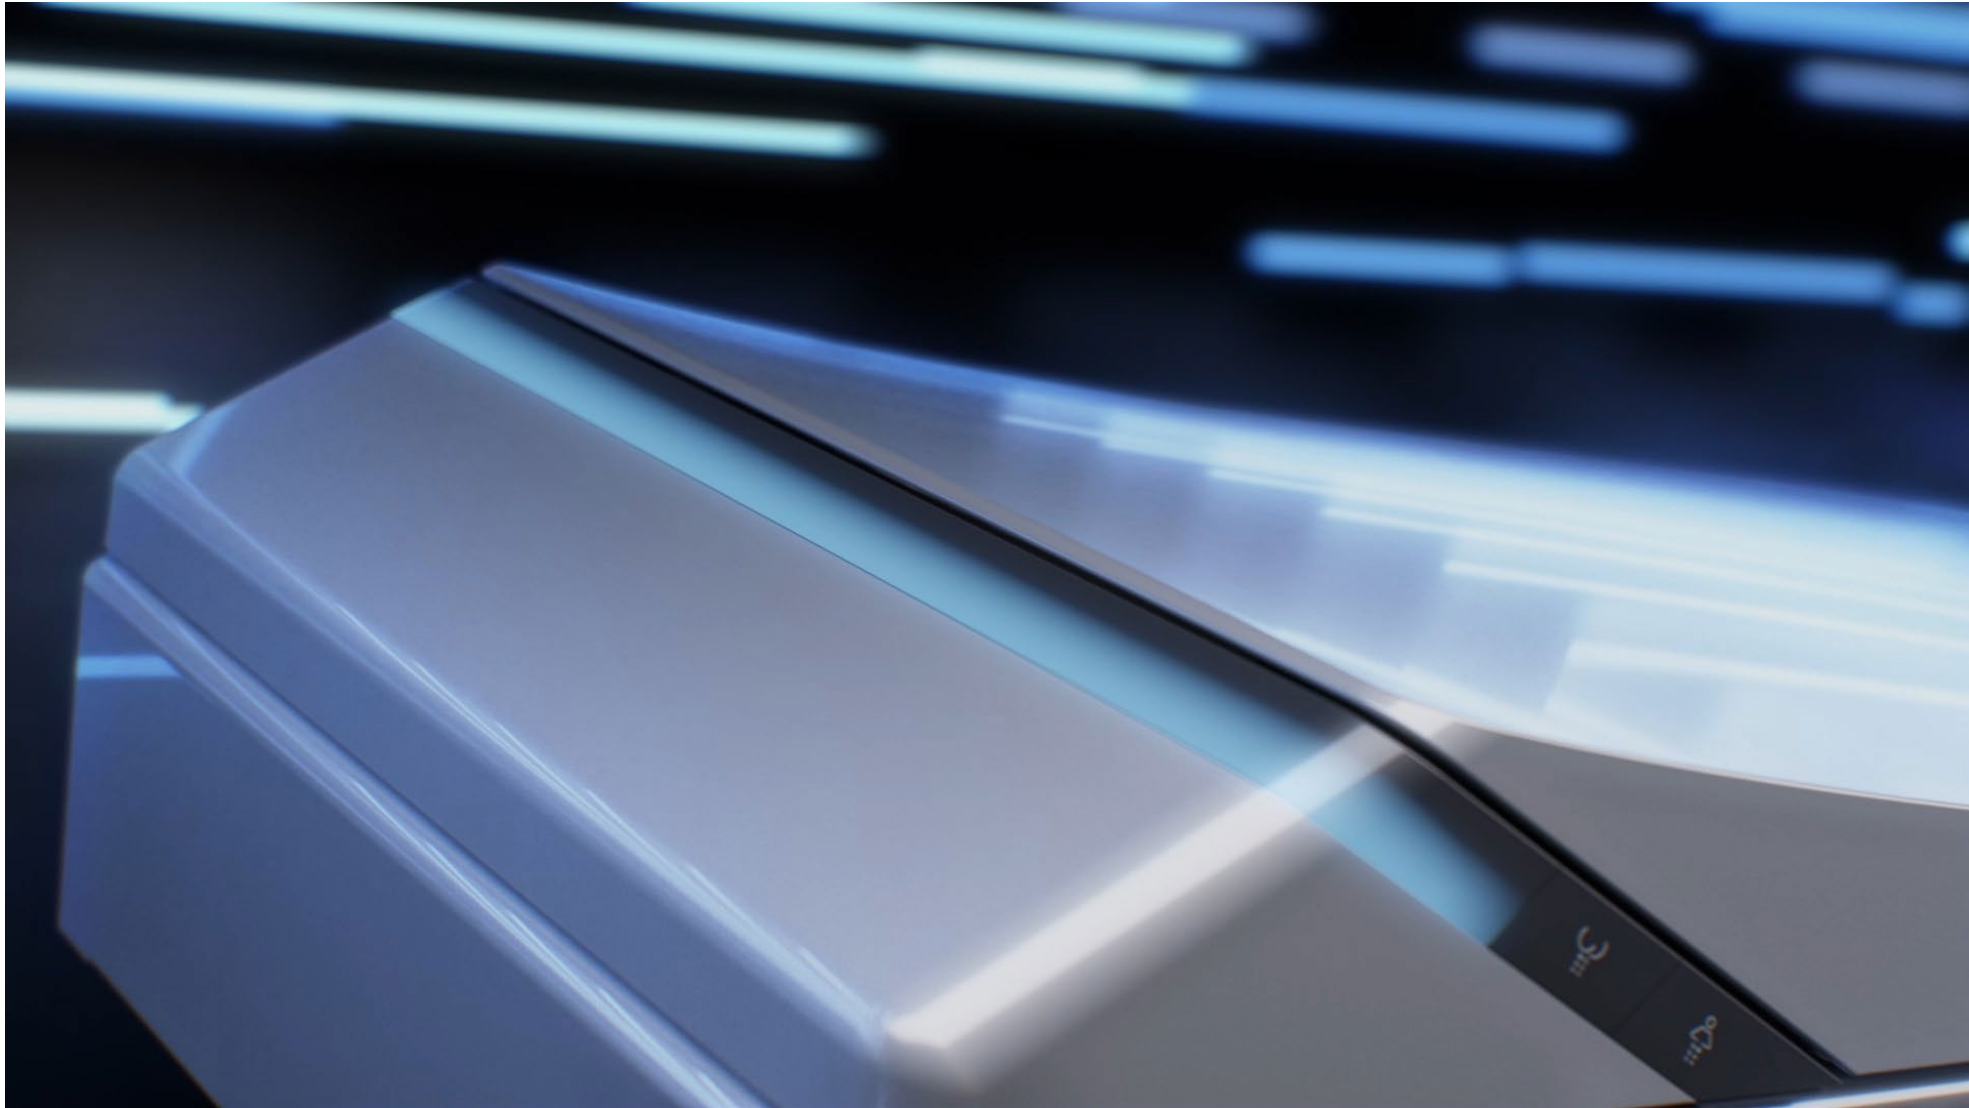

Sports Car Taillight Design

Inheriting the dynamic gene

Sporty rear wing, technology and fashion

φ50mm Large Siphon Pipe
Powerful Flush System

Super pollution capability

"Built-in water tank + pump" No water pressure limit
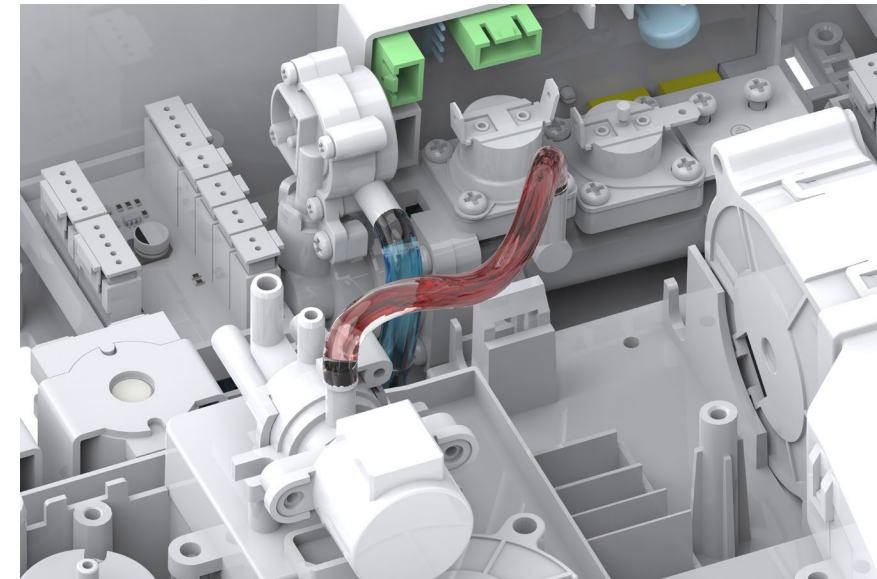

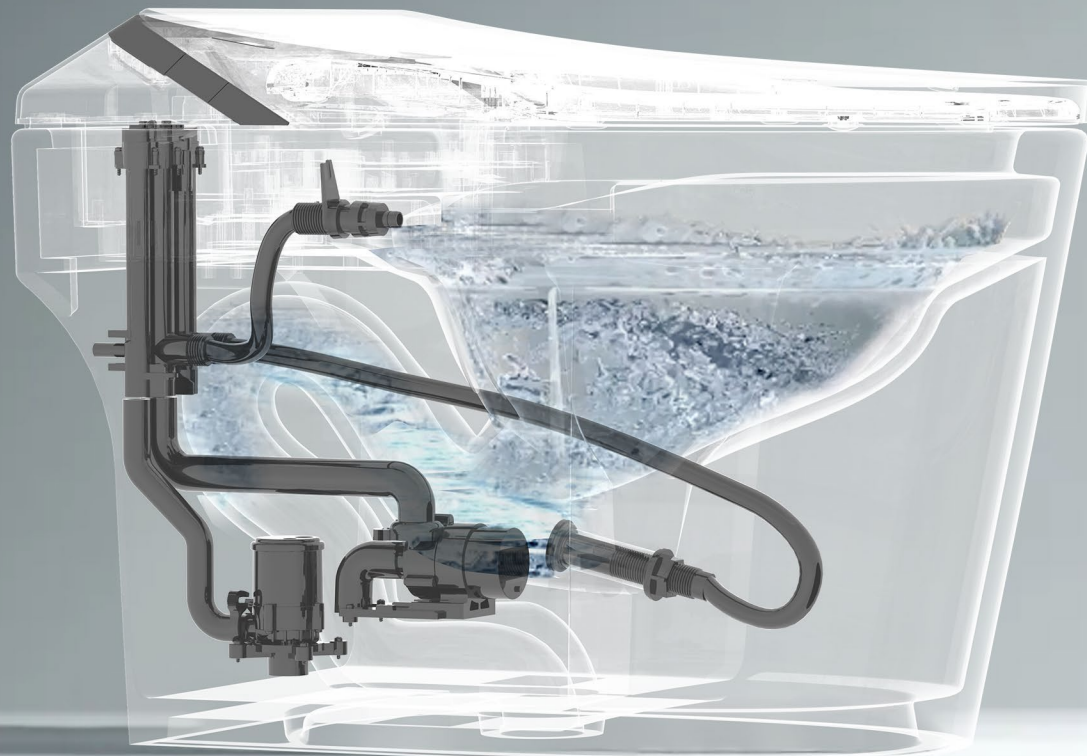

Heating Module

Instant heating temperature control technology, stable and reliable
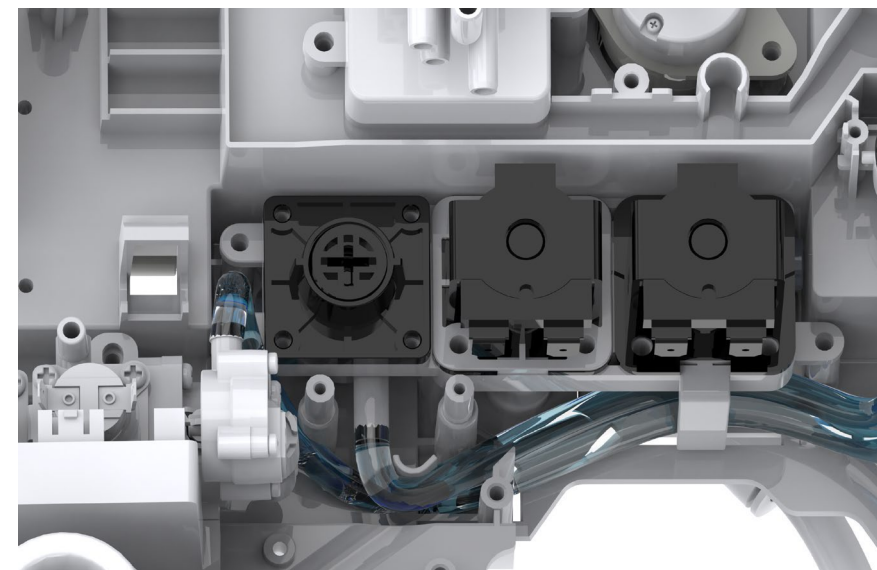

Pressure Stabilizing Valve Module

Adapt to different inlet water pressures, stable flow rate,

and high pressure resistance

U1 Wall Hung
Smart Toilet Series

ME4030

Simple and modern appearance
Meets the needs of modern bathroom

Water Drop Concept
Minimalist Look Design

The natural flow of the "water drop" conveys

a pure and simple design concept

Touch-sensitive Smart Remote Control

Tilting design, ergonomically designed

Smart use of stacked design, makes product thinner and tighter
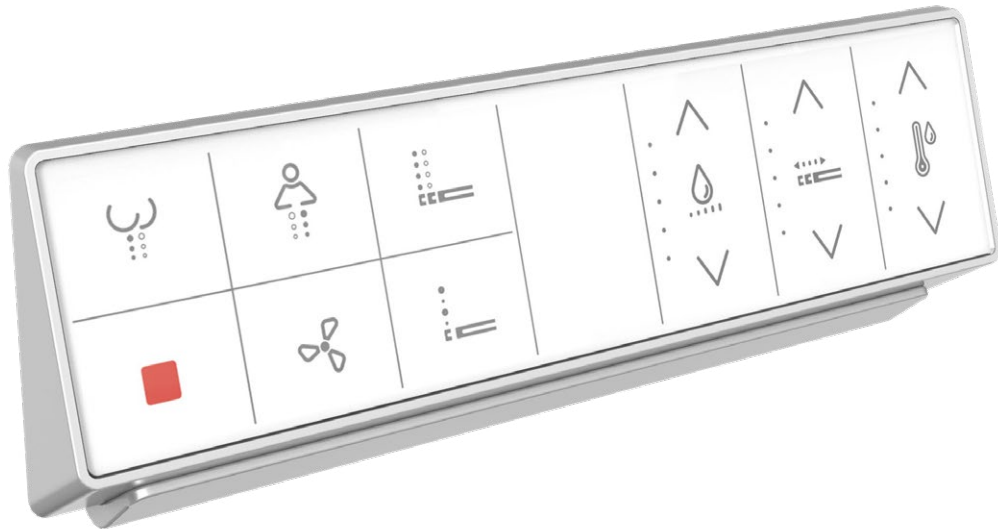

Ultra-thin Vertical Remote Control

Mechanical buttons, energy saving

Comfortable grip, effortless one-handed operation

Light Display

Function icon Light display

Easy to understand

Glass Panel & Multiple Colors
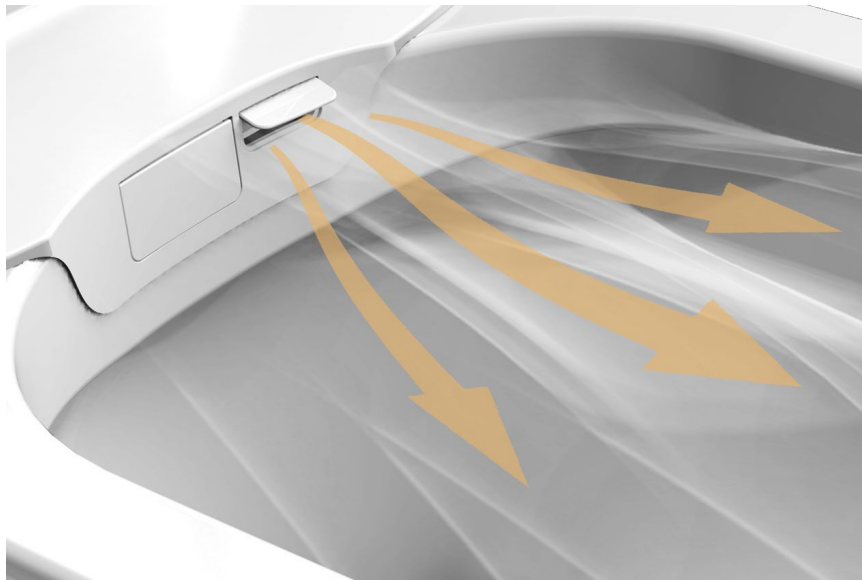

Warm Air Drying

Multi temperature setting, always comfortable
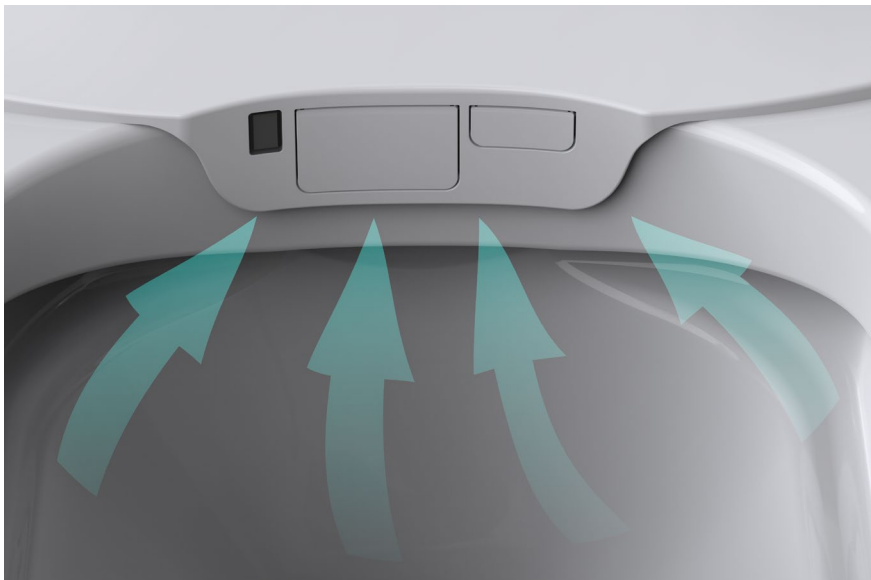

Intelligent Deodorization

Long-lasting freshness, odor suppression

PBT Heating Seat

Innovative material, good thermal conductivity, safe and reliable
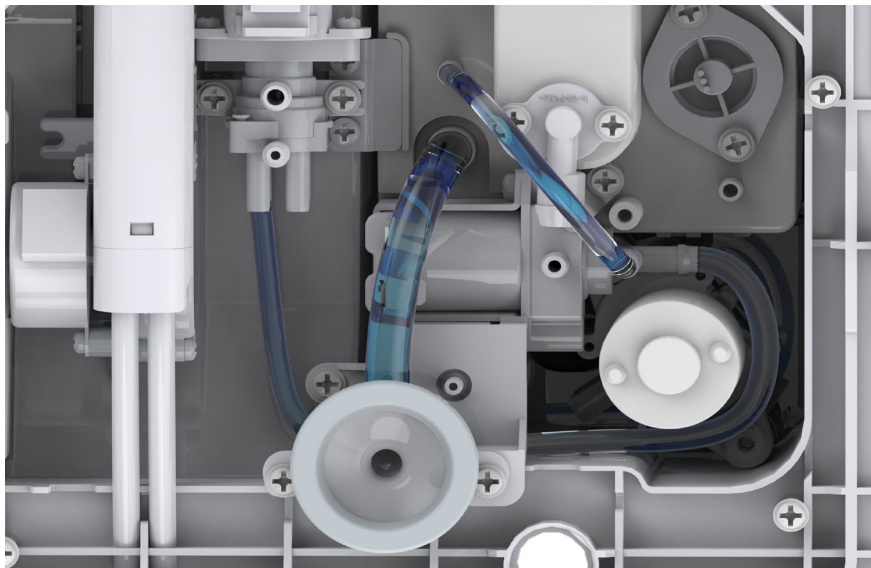

Intelligent Descaling Module

Effectively prevent water scale, protect core components,

extend product life

D1/U2 Wall Hung Smart Toilet Series

Metal back cover and European aesthetic design

Elegance in Minimalism

Flat Design
Stylish And Elegant

Pure Flat Design Concept

Bringing Design Aesthetics to life on Paper

Outlines the beauty of ultimate simplicity
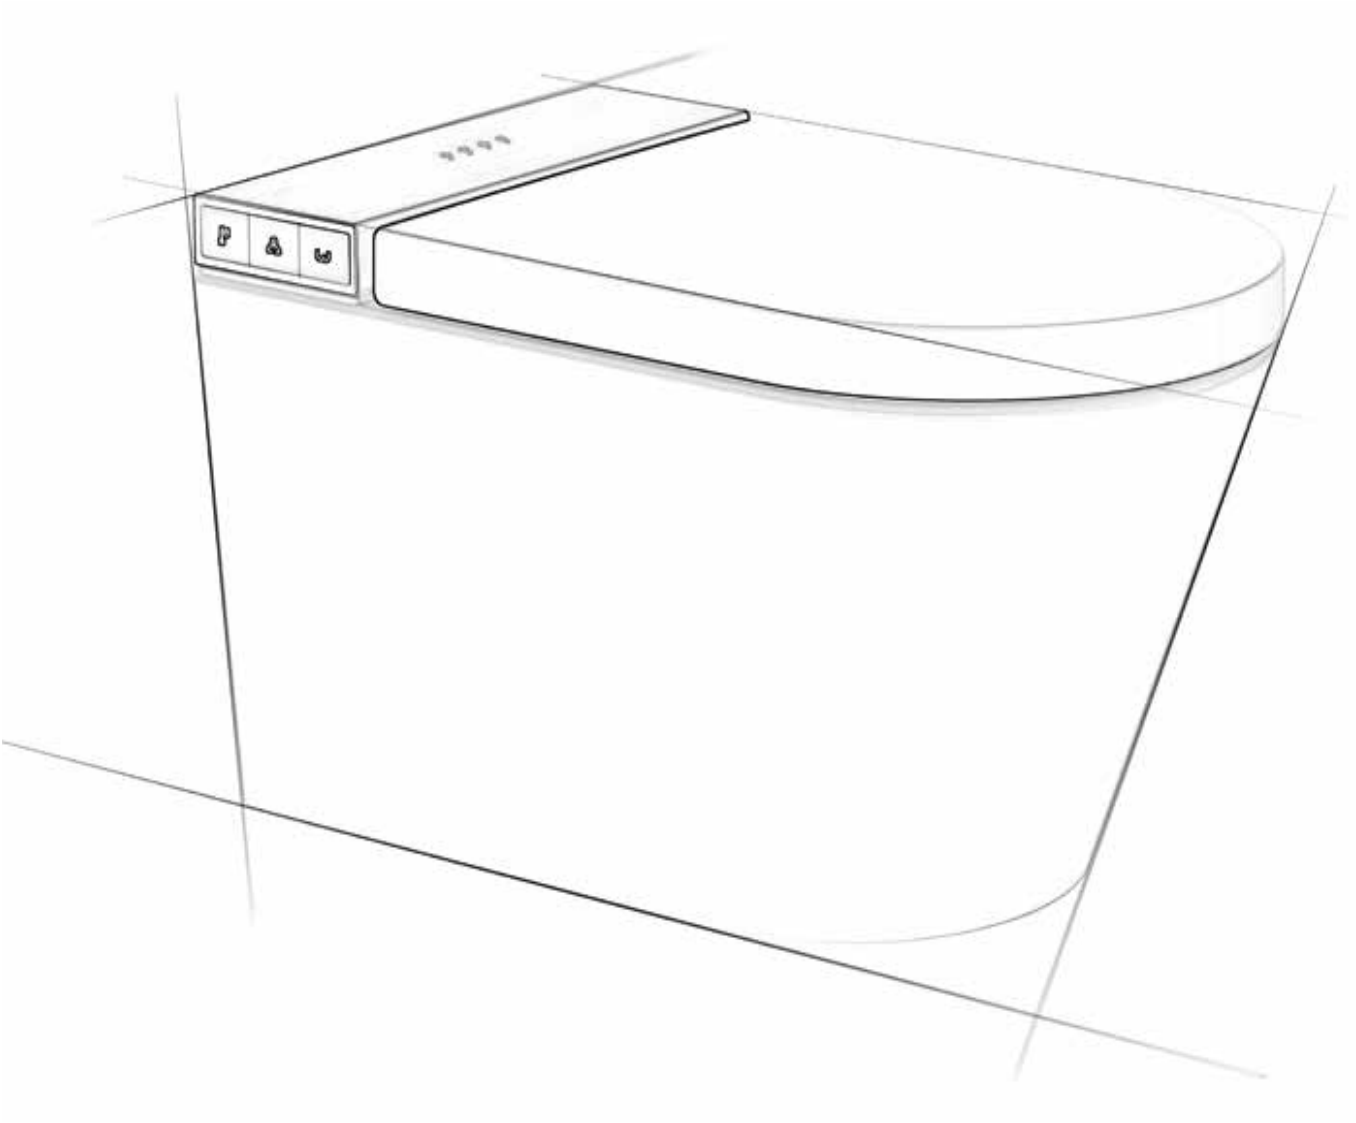

D1 Series

Tankless Wall Hung Smart Toilet

φ50MM Siphon Pipe

Innovative patents, efficient flushing performance

Upgraded jet head structure to reduce water flow loss

Built-in Water Tank

No need concealed cistern, integrated flushing system, easier to install and maintain

Platform Design And Multiple Functional Configurations

Normal Wall Hung Toilet   Manual Bidet Wall Hung Toilet   Wall Hung Smart Toilet

D1 Series

Industry-first Innovation
Manual Bidet Wall Hung Toilet

Clean Rear Wash

Dual sprayer design to prevent cross-infection
Customized water flow, clean and hygienic

Gentle Lady Wash

Gentle lady wash, gentle water flow,
reduces the risk of disease in lady

Pulse Valve Flushing System

Innovative and patented
No need socket for flushing

Simply handle operation

Easy switch with a simple handle

Optimized Flushing Valve

More stable water flow & Cleaner water quality & Safer water usage
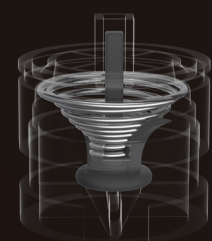

Constant Pressure Valve

Different spring compression stroke control under different pressure
Corresponding flow area, effective flow control, more water-saving
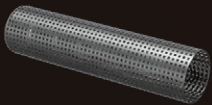

Filter Screen

High filtration capacity
Efficient water purification
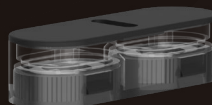

Anti-siphon Component

More effective anti-siphon structure prevents sewage backflow and ensures water safety

U2 Series

Wash Down Wall Hung Smart Toilet

Interactive projection

No bending, feet interactive

Precise sensing, easy and hygiene

Tornado flushing

Rimless design

Silent tornado flush

No splashing

Auto Open

Touchless and safter

Colorful Ambient Light

Multi-color changes, use light and shadow to outline a cozy space

Lite E Series

Entry-level features, leading people to have new experiences

Upgraded foot sensing module, no need to bend down to flush

Smart M

Patented φ50mm siphon pipe design
Flat design, simple and fashionable

Lite Smart Seat

Entry-level toilet seat, excellent cost performance

Mechanical water inlet, wash function

Smart Seat

Smart seat, wireless remote control

One-touch automatic washing and drying
